*Purchase Order required to release 30 day trial purchase product. Customer will ONLY be invoiced upon confirmation of product satisfaction or on the 30th day of product release. Should the customer find product unsatisfactory within 30 days of product release, with proof, customer may return product, at their own shipping cost, and PO will be cancelled. Program only applicable for Sepax SEC analytical columns, not applicable to other phase columns, custom, prep, bulk products, solution kits, and screening kits. Limited one product per customer. Not valid for academia accounts. Not applicable to samples that may potentially destroy the column.
